

Enabling Truly Phone Free Schools

Introducing My Home Call for your School

What is My Home Call?

My Home Call is a secure, phone free safety platform that lets you reach your saved contacts using any borrowed smartphone or tablet. **No passwords to remember, No numbers to memorise or No apps downloads.**

Automated **///what3words** location sharing in the system.

How it works for schools

- 1** Parents register children & contacts via our app.
- 2** Personal information is saved using secure encryption.
- 3** Students access My Home Call via onsite tablet.
- 4** Students identify with name and facial scan.
- 5** A call or pre written message can be sent to saved contacts.

Why it supports phone free schools

- ✓ Removes the need for pupils to have a phone to contact their parents during the school day.
- ✓ Maintains a controlled route for pupil to home contact without bothering the school office.
- ✓ Reduces distraction and improves policy compliance.
- ✓ Support pupil wellbeing without reintroducing smart phones.

Safeguarding and security

- ✓ No social media access.
- ✓ No internet browsing capability.
- ✓ Pre-written messages only, no free text messaging.
- ✓ Short, time limited calls.
- ✓ Encrypted contact routing.
- ✓ No public display of phone numbers.

The Key to Making Phone Free Schools Work

Phone free policies are far more effective when parents feel confident that students can still stay safe and contact home when needed. Remove the reason for carrying a phone, and the policy becomes easier for everyone to support.
